With our streaming access, experience the warmth of live concerts without ever having to leave the house. We offer full season packages or select individual concerts, and the flexibility to stream our concerts in common gathering areas or directly to every private residence or room. Our packages make our concerts accessible for everyone to enjoy.

## → EXCLUSIVE OFFERS

# GOLDEN NOTE INITIATIVE

The **Golden Note Initiative**, a proud endeavor of the Arapahoe Philharmonic, represents our commitment to ensuring that the enriching power of music reaches every member of our community, especially our valued seniors. Music, in its universal language, possesses the extraordinary ability to connect, uplift, and heal.

Recognizing that not all seniors can attend our live concerts, we've tailored the **Golden Note Initiative** to bring the concert experience directly to them, whether they reside in senior living facilities or prefer the comfort of their own homes. This initiative is a testament to our belief that access to cultural experiences should not be limited by age or mobility.

This initiative is more than just a program; it's a reflection of the Arapahoe Philharmonic's dedication to engaging and inspiring every member of our community.

*“Performing for these visits is one of the most rewarding experiences of my career. The connection we make with these seniors is immediate and profound. It's an honor to bring music to those who might not otherwise have the chance to experience it.”*
